

2023 BICSI Cabling Skills “Speed” Challenge

5-9 February, Tampa, Florida, USA

Want to get your products in front of the people who will use them?

The 2023 Speed Challenge will take place in conjunction with the 15th edition of the BICSI Cabling Skills Challenge (CSC) and within the CSC arena.

Sponsor one of these exciting events and show your company’s support of information and communications technology (ICT) excellence. Cabling Skills Challenge contestants, *as well as any Conference attendees who would like to participate*, will use your products during the Speed Challenge you sponsor. You choose the type of challenge that will best showcase your products and your company!

Please note: Cabling Skills Challenge Speed Challenge Sponsorships are **only** open to 2023 Winter Conference Exhibitors.

Sponsorship level prices listed in U.S. dollars.

Sponsorship details subject to change.

Speed Challenge Sponsorship: \$2,500

All conference attendees can participate!

How it Works

- Each Speed Challenge event is defined by its sponsor (pre-approval by BICSI required) and the sponsoring company will provide all materials required for the challenge.
- Events must allow for participants’ hands-on activity (i.e., connectorization, splicing, testing, other assembly, etc.).
- Each event will take place within a maximum five-minute period and on a table top for maximum viewing by the arena audience.
- Expectations for the individual contestants participating in your Speed Challenge will be published at your station.
- BICSI will provide a “leader board” at each Speed Challenge station so you can track the winner(s)! You may elect to award prizes for things like speediest contestant, most high quality performance...it’s up to you!

What You Will Get

- Recognition as a Speed Challenge Sponsor on the BICSI Cabling Skills Challenge website (logo with hyperlink)
- Dedicated signage as Speed Challenge Sponsor, featuring your company logo in the Exhibit Hall
- Your company logo included in Winter Conference session slides
- Use of your product in the 2023 Cabling Skills Challenge

Speed Challenge Rules:

Speed Challenge sponsors must be exhibitors at the 2023 BICSI Winter Conference & Exhibition. The sponsor must provide all required personnel during the Speed Challenge to ensure safety and to oversee the Speed Challenge during all Exhibit Hall hours. Sales discussions may not take place at any time in the Speed Challenge area. Interested parties are to be directed to the sponsor’s exhibit booth for sales information. BICSI will provide electricity, one 6’ skirted table and a leader board at each Speed Challenge station. Conference attendees can participate in the Speed Challenge during all but the last 45 minutes of the Exhibit Hall hours. The final 45 minutes of the Exhibit Hall hours, the Speed Challenge is limited to Cabling Skills contestants only.
