

The Sparkling BICSI India Annual Conference held at Bengaluru on 20th September 2019

BICSI India District Conference & Exhibition 2019 held at Bengaluru on 20th September 2019.

The Annual BICSI India District Conference and Exhibition 2019 in Bengaluru, India was organized on the 20th September 2019 with much fanfare and witnessed over 400 attendees from the ICT Industry. The Event showcased how digital transformation is driving the wave of transition, witnessing an advent of disruptors and enablers vitalized by the accelerated expansion of digital

connectivity. The conference got off to a brilliant start as Mr. Ninad Desai, District Chair, BICSI India, opened the conference with a welcome address, as he highlighted how BICSI is stimulating ICT professionals and helping them build knowledge, skills & experiences adaptable to the current industry requirements, while showcasing BICSI's strategic programs and key initiatives to drive greater engagement with the industry, government and academia. Eminent

speakers illuminated the conference by their presence and the session witnessed many informative presentations. The Conference was also graced by the Keynote address on Co-working Spaces by Mr. Deben Moza, Knight Frank India, followed by address from Guest of Honour Mr. Bala Chitoor, Flamengo Tech, on Evolution of IoT in ICT Industry.
