addressing the Satellite Seminar at Chennai

Mr Kasi Visweswaran,
District Vice Chair, India District, BICSI
presenting the Welcome Address to the Satellite
Seminar at Chennai

BICSI India organized its Satellite Seminar at Chennai on 05th July 2019. The primary purpose of this seminar was to reach out to the ICT industry at Chennai and to discuss, update and deliberate on latest technologies, trends and products. BICSI India Satellite Seminar at Chennai was well attended by Consultants, System Integrators, OEMs, End Customers, IT heads/Managers and Senior Faculty from the Academia / Educational Institutes and received good acclaim from all the participants.

BICSI India Satellite Seminar Chennai 2019

An invite only Workshop was also organized concurrently as part of the seminar. The workshop was focused on smart cities which was themed as “What Makes a Building ‘Smart’? Addressing Smart Building Challenges”.

BICSI India Accolades

BICSI INDIA received the “Outstanding Contribution” award for efforts in imparting knowledge in the skill ecosystem in ICT and Telecom at the Telecom Manthan 2019 event on 28 June 2019, at The Lalit, New Delhi. This is an annual premier industry event focussing especially on Emerging Technologies and their role in creating demand for Talent Pool Transformation. The award was presented by Mr. Arvind Bali, Former CEO Videocon Telecom to Mr. Manish Agrawal - BICSI INDIA Steering Committee member on the district's behalf at Telecom Manthan 2019.
