SHAPING BICSI'S FUTURE

BEPG

Help Shape the ICT Industry's Future!

The BICSI Emerging Professionals Group (BEPG) brings youth and diversity into the BICSI community, through committee volunteers and grassroots events, designed to engage the future leaders of the information and communications technology (ICT) industry.

Volunteerism. Engagement.

Developing BICSI through:

- Hardworking BEPG committee members
- "R.A.V.E." events" at conferences
- Local regional events
